Pfenning Alumni Center – Wilson Room 102

223 Pfenning Alumni Center (Hamilton Street), Easton 18042

Lehigh Valley Health Network is proud to partner with Lafayette Colege to provide a COVID-19 Vaccination Clinic at Pfenning Alumni Center. The clinic will be open to anyone 12 years of age and older and will be held in the Wilson Room (102). Signs will be posted at the appropriate entrance.

The Pfizer vaccine will be administered and is free of charge. We ask that anyone receiving a vaccination fill out a consent form and review the EUA Fact Sheet ahead of time. *Please note: anyone under the age of 18 will need to be accompanied by a parent/guardian to receive the vaccination.*

Pre-registration is required to secure your vaccine. Registration can be done by **clicking here**. Walk-in's are welcome as long as supplies are available. If a parent/guardian is registering a child, the child's name and demographics should be used. The Pfizer vaccine is a two-dose vaccine. The second inoculation will occur at Pfenning Alumni Center on September 14th from 3pm to 6pm.
